

Food Distribution

Zeewolde

When to pick up your food :

30-07

- Bring your empty crates to the Food Distribution Centre between 16:00 and 18:00 to get the supplies for this evening meal and tomorrow's breakfast. Don't forget your ticket, it is valid for the whole week.

31-07

- Between 8:00 and 10:00, bring back your empty crates to get the supplies for today's lunch, tomorrow's breakfast and all ingredients for today's dinner which do not need to be cooled.
- Between 16:00 and 18:00, with your empty crates you will be able to get the cold supplies for the evening meal.

1-08

- Between 8:00 and 10:00, bring back your empty crates to get the supplies for today's lunch, tomorrow's breakfast.

Food truck tickets for the evening meal will be included in the morning crate.

2-08

- Between 7:00- 9:00, bring back your empty crates to get the supplies for today's lunch which you will need to pack yourself for the departure.
- Between 9:00 and 9:45, all the crates need to be emptied and brought back to the Food Distribution Centre.

Note :

The Food Distribution Centre will close at 18:00 no later, make sure you get there with enough time to collect.

You can keep any food left over or throw it away. You cannot return any food. We will ensure the bins are emptied regularly. You can also donate any unwanted food to another Path.

Special diets for your Paths are included in your food crates according to the information shared with us and you need to ensure that all your members get their dietary needs

Food storage and refrigeration

- To keep dairy and meat cold, you can put one crate per Path in the cold containers, next to the subcamps' tents at Monarch Pirate and Brilliant Star Subcamps.
- Meat and dairy need to be in closed containers or bags. Make sure the crate is identified with the Paths numbers.
- All other food supplies need to be stored in your private tents or in the subcamp's tent, but it is then your own responsibility. We cannot guarantee no one will have access to it.
- Medicine that needs to be kept cold needs to be brought to First Aid.
